COMPETITION AWARD PROGRAM

Competition awards will be presented to members who actively participate in competitions available to our Judo community. This program has been created to encourage our members to compete in local, regional, national and international Judo events. The recipient of this award will be given financial assistance to help offset travel expenses to compete in out of state Judo competitions.

Contestants will be judged on participation in club activities, school, and other extra curricular activities. The contestant must maintain an above average (typically 2.5 or more on a 4.0 grading scale) grade point average. A point system has been created weighting past participation in tournaments hosted by the 50th State Judo Association. Contestants will be awarded the following points based on their local 50th State Judo tournament participation from January 1, 2009 through December 31, 2009:

First Place	13
Second Place	12
Third Place	11
Participated	10

If a local tournament allows the competitors to enter multiple categories, the applicant should list the category that produced the best results. Shiai points will not be included in the Kata categories and Kata points will not be included in the Shiai categories.

A total of eight four hundred dollar awards will be awarded. The following competition award categories have been identified:

Athlete Award (Age 8 – 11) \$400
Athlete Award (Age 12 – 15) \$400
Athlete Award (Age 16 - 19) \$400
